

# the sprouts class

**A 3-4 year old class meeting  
Tuesday & Thursday mornings**

**Our Sprouts Class is ideal for  
children new to preschool.  
Students spend their day learning  
through play, in an intentional  
environment curated by loving  
teachers. Sprouts practice social  
emotional skills, pre-literacy and  
math, autonomy, and grow in their  
independence and self-confidence.**
